The Dance Companies of New Dance Workshop perform professional choreographed dances throughout the Philadelphia Metropolitan area in concerts, schools, senior centers and community events. Performances have also included Walt Disney World, Universal Studios in Florida in addition to Great Adventure in New Jersey and the Philadelphia 76ers. The companies afford students the opportunity to express and expand their artistic abilities through their participation in the choreographic process as well as enhance their dance education.

Decisions will be announced after April 1. Placement consideration includes:
audition, classroom behavior, attendance, attitude towards teachers and students.

We will not accept re-turning dancers into our dance company in September without participating in the May/June program. This program will conclude before school dismisses for Summer Break.

Please feel free to share with friends who may not be enrolled in our studio. This is a great way for new dancers to try out our companies and our school. We will recommend the appropriate class for them to come to for their audition.
